Mrs. Mabel Roca
President of Argentina Netball Federation

Dear Mrs. Roca

At the Annual General Assembly of the Americas Federation of Netball Associations (AFNA) Nov 24-28, 2020 the Argentinian Netball Federation (FANET) was appointed by a unanimous motion to be the General Director of the Latin American Netball Sub Region of AFNA.

FANET has shown truly remarkable leadership in growing the sport in Argentina and it is exciting to see under your leadership how the sport has begun to expand into Latin America. We have complete confidence in FANET's ability to promote and develop the sport in the Sub Region and they have the full support of AFNA.

With the assistance of AFNA personnel the FANET will be responsible for overseeing the training of athletes, coaches and officials and the development of competition in the Sub Region on behalf of AFNA and the International Federation of Netball Associations (INF)

AFNA and its member countries will do everything we can to ensure their success.

Sincerely

A handwritten signature in black ink that reads 'Marva Bernard'.
